Medication

Please bring any medications that you will need for the day.

Buddy System

Please plan to stick to the buddy system – individuals pair up and take responsibility for ensuring each other's safety.

About the Bus

We will NOT stop for a restroom break on the way there and back. The bus will have a bathroom that will be available while driving.

The bus will not be handicapped accessible. There are approx. 5 steps to walk up to enter the bus.

The bus will have room for additional storage underneath. Please note that you will not have access to these items while we are driving. The additional storage will only be opened when we stop. There will be room to store large items (again, if not needed while we are driving).

The bus will have Wi-Fi and charging ports, if you would like to bring/use your electronics on the drive.

We will pass around for a tip for the driver at the end of the drive, if you would like to contribute.

Snacks

We will provide water bottles and snacks on the way there and back, but please plan to either bring or purchase your own lunch while at the mall.

Weather

Las Vegas North Premium Outlets is an outdoor mall. The temperature in Las Vegas is very similar to Ivins. Mid-November weather is usually 40s-70s.

Time at the Mall

The bus will drop off in the parking lot of the Las Vegas North Premium Outlets and will stay in the parking lot.

Staff will take trips to the bus to put shopping bags under the bus, if you don't want to carry them around. This is completely optional. We will have wagon(s) to carry bags and labels so you can clearly mark your bags before we take them to the bus. We'll announce the meeting place and times for these trips.

While the bus will stay at the mall, you are welcome to make your own arrangements to travel outside the mall.

If you choose to travel somewhere else, please make sure you are back at the bus at Las Vegas North Premium Outlets by 2:45pm.
