### **Medication**

Please bring any medications that you will need for the day.

### **Buddy System**

Please plan to stick to the buddy system – individuals pair up and take responsibility for ensuring each other's safety.

### **About the Bus**

The bus will be handicap accessible with a wheelchair lift and wheelchair strap in. The main entrance to the bus will have approx. 4 steps, with handrails.

The bus will have room for additional storage underneath. Please note that you will not have access to these items while we are driving. The additional storage will only be opened when we stop. There will be room to store large items, such as walkers/wheelchairs (again, if not needed while we are driving).

The bus will not have a bathroom. We will stop for a restroom break on the way there and back.

The bus will have wifi and charging ports, if you would like to bring/use your electronics on the drive. If you would like to contribute, at the end of the drive, we will pass around for a tip for the driver.

### **Snacks**

We will provide water bottles and snacks on the way there and back, but please plan to either bring or purchase your own lunch while at the mall.

### **Weather**

Las Vegas South Premium Outlets is an indoor mall. The temperature in Las Vegas is very similar to Ivins. Mid-November weather is usually 40s-70s.

### **Time at the Mall**

The bus will drop off in the parking lot of the Las Vegas South Premium Outlets and will stay in the parking lot.

Staff will take trips to the bus to put shopping bags under the bus, if you don't want to carry them around. This is completely optional. We will have wagon(s) to carry bags and labels so you can clearly mark your bags before we take them to the bus. We'll announce the meeting place and times for these trips.

While the bus will stay at the mall, you are welcome to make your own arrangements to travel outside the mall. Within walking distance, there are several restaurants in the same mall parking lot. Or within a 10 minutes car ride is Town Square Mall further north along Las Vegas Blvd.

If you choose to travel somewhere else, please make sure you are back at the bus at Las Vegas South Premium Outlets by 2pm.

## **Bellagio Conservatory and Fountains**

Nothing like a trip to one of Vegas' most famous attractions on our way out of town!

The bus will drop off at the Bellagio Hotel and Casino. The Conservatory is inside the Bellagio. It is redesigned several times per year, seasonally, and will be decorated for the holidays. Entrance is free. The Bellagio Fountain show perform every 30 minutes, starting at 3pm. The fountains can be viewed from the street at Las Vegas Blvd or just outside the entrance of the Bellagio. Show is free.

Inside the Bellagio, near the Conservatory, are public restrooms and a gift shop.
